

## Fair Facility Improvement Grant Application

Badgerland Financial proudly supports local and county fairs across our service area, recognizing the important role they play in youth development and celebrating agricultural heritage and rural life. We are pleased to offer Fair Facility Improvement Grants to support facility improvements at county and community fairs held in our service area.

### Program Details:

- Total dollars available are \$20,000 per year.
  - It is Badgerland Financial's desire to fulfill as many deserving grant requests as possible. Allocation of funds is at our discretion; requests may be filled partially or in entirety. Submitting a grant application does not guarantee grant funds will be awarded.
- Priority will be given to projects that will be completed in the current calendar year.
  - Grant funds will not be carried over. Projects awarded a grant but not completed will need to reapply the following year.
- It is our hope that through awarding a facility grant, we are able to gain PR opportunities in the local area of the fair. Please share those opportunities as they become available.
- **Due date for grant applications is May 12, 2017.**

\*This grant application is intended to be completed by a Badgerland Financial team member, with input and assistance from a county fair representative(s).
