

Vernon County
University of Wisconsin-Extension

Vernon County will be hosting two sessions for the 2019 Pesticide Applicators Training. Each session will be from 10:00 a.m. to 4:30 p.m. at the Erlandson Office Building, 1st Floor Conference Room. **The dates are: Friday, February 22nd and Friday, March, 8th.**

The fee is \$30 for the PAT Manual, and that **does not** include lunch. You may bring your own lunch, or there are many options for nearby restaurants.

If you are unable to attend one of the group training sessions, there is a self-study option. This option still requires the \$30 purchase of the *General Farming* manual. The written examination is exactly the same as the one given at the group training session. The difference is a 70% correct minimum exam score needed rather than 50% when attending a class. The exam must be taken at a UW-Extension Office (you would need to call the office and set up a day and time). It is an open book examination.

For the group sessions, you **MUST** pre-register at UW-Extension. Each session is limited to 50 participants on a first come, first served basis. Payments can be completed with cash or check.

Please call the UW-Extension Office with any questions: (608) 637-5276
