

# CLOVERBUD

## VIRTUAL BOX PROGRAM

### Farm To Food: Fun with Wisconsin's Top Products

Each month, your Cloverbud will receive a box or large envelope in the mail with items they will use for their Zoom sessions. Each session will be from 6:30 to 7:00 PM. Our program is designed to get youth moving and learning, while having fun! It's suggested to have an adult with the Cloverbud for each program.

Jan

18

### CRANBERRIES

Youth will simulate growing cranberries in bogs, learn about their health benefits, and try them several different ways.

Feb

15

### BEEF

Beef cattle are used in so many ways! Explore around your house to find out. Youth will learn about the production cycle, and beef byproducts.

March

15

### DAIRY

Strong arms are a must for this lesson! We'll take a virtual tour of a dairy farm and make our own butter!

April

19

### POTATOES

We're going on a potato hunt, as we dive into different types of potatoes, how they are grown, and cooked!

May

17

### CORN

Learn about the corn production cycle, different types of corn, and sample some popcorn. This session will get youth up and moving!
