

Foods Revue and Tasting Event: Entry Information and Rules

July 8th: Location TBA

10:00 a.m.-1:00 p.m. (depends on number of entries)

The purpose of the Foods Revue and Tasting Event is to encourage the creative, design, and cooking skills of our 4-H youth. Youth may choose to enter a variety of different classes that focus on presentation, style, and sharing a dish they made to earn feedback. Likewise, this program provides an opportunity to explore potential careers in restaurant or bakery management, interior design and more.

Entries will be broken down into age groups: (K-2, 3-5, 6-8, and 9-13)

When planning entries, take proper precaution and consider food safety. No raw meats/fish, refrigerated items must be transported in a cooler with ice, food must be transported in fully sealed dishes that maintain temperature. Youth will have time to plate food/work in the kitchen before presentation. Kitchen will be open at 8:30 a.m.

After judging and tasting take place, participants will take part in a potluck consisting of entries. Vernon County 4-H will provide the main dish (meat), and eating utensils. Ribbons will be given after potluck, and there will be a crowd choice winner as well!
